a note from our pastors...

PURPOSE FAMILY!!!!

2023...WHAT A YEAR!! We started off the year on January 1 with our Noon Year's Day service and finished on New Year's Eve talking about Dreaming Again! 53 Weekend experiences in 2023 and everything in-between like...21 Days of Prayer and Fasting, Baptism Sundays (cue the cowbells), Project Sole, PK Takeover, Easter Egg Drop, Easter Services, Kids Conference, YTH Camp, Mens Night and sermon series like excUSE me / How's Your Heart? / What Would Jesus Do? / Marked / Summer School / 7even / On Fire / Let's Talk About [] / Gravediggers / For The One / All I Want For Christmas is ____! And on top of all of those INCREDIBLE things, you gave \$1,064,302.13 to our Legacy Offering that advances the mission and vision of this church [LIKE WOW!!!!] We have watched God do more than we could ask or imagine and have seen people connect to Jesus and begin to live on purpose!

2024 is going to be a year of STRETCH! I believe God has downloaded some BIG VISION into our hearts for what he is getting ready to do in our church and in each of your lives and we cannot wait to accomplish it alongside of you! As I said a few Sunday's ago...LET'S GO! Let's go all in! Holding nothing back! No excuses!! Let's go when it comes to praying! Let's go when it comes to serving! Let's go when it comes to giving generously! Let's go when it comes to inviting others to church! Let's go when it comes to believing Jesus is just getting started! We are so thankful for all that Jesus did in and through us in 2023! What an incredible God that we GET to serve! We are so honored to lead and pastor you, Purpose Church. God is just getting started and we believe that THE BEST IS STILL AHEAD! We love you so much!
